Delta Nova is a high quality layflat Fire Hose used by Marine & Industrial professionals around the world. Designed to withstand use in harsh environments Nova lends itself perfectly to Off-Shore Operators for use on Platforms, Drilling Rigs, FPSO's and all marine based applications. Also ideally suited for the Waste & Recycling sectors due to its chemical and abrasion resistant properties Nova is also widely used by a broad range of Industrial users.

Constructed with a synthetic woven textile reinforcement encased in high tensile PVC/Nitrile rubber forming a unified lining and cover Nova is manufactured to BS6391 and is Lloyd's Register Approved.

## KEY FEATURES

- Premium Quality
- Manufactured to BS6391
- Oil & Chemical Resistant
- Heat Resistant
- Abrasion Resistant
- Maintenance Free
- Weather Resistant
- Red / Blue or Yellow
- Choice of Lengths & Diameters

## Technical Specifications

Internal Diameter	(mm)	25	38	45	52	64	70	75	100
	(inches)	1	1½	1¾	2	2½	2¾	3	4
Short Length Burst Pressure	Bar	60	50	50	50	50	45	45	35
Maximum Use Pressure	Bar	30	25	25	25	25	22	22	17
