

OCEAN SAFETY CHALLENGER WORKSAFE 170

The Ocean Safety Worksafe 170 Lifejacket is designed to be easy to don, comfortable and unrestrictive to wear when performing heavy manual work.

The Worksafe incorporates the interlocking bladder, which self-rights the wearer in under five seconds, (even if they are unconscious) and provides an effective wave barrier which prevents water from being channelled into the wearers airways.

Key features

- 170N buoyancy, single chamber
- Adjustable waist belt
- AIS compatible
- Durable water resistant cover
- Halkey Roberts inflation system
- Hook & loop closure
