

# OCEAN SAFETY UNIVERSAL LIFERAFT CRADLE

The Ocean Safety Universal Liferaft Cradle has been designed to offer either a deck or rail mounted option for your liferaft.

Constructed from stainless steel and fully adjustable to accommodate different liferaft sizes, the cradle offers a durable and versatile stowage solution, which is easy to assemble and is also compatible with multiple liferaft brands.

## Key features

- Universal size
- High Grade 316 polished stainless steel
- Deck and rail mount
- Vertical or horizontal rail mount
- Simple and quick assembly
- Opening arms for quick release
- Optional mounting kit for deck or rail mount (sold separately)
- Lashing kit can be configured for quick release or HRU
- Max liferaft weight when rail mounted – 43kg

\*Liferaft in a 12 person SOLAS Compact Container.

**Container min and max size:**

Min = L 450mm x W 400mm x H 230mm  
 Max = L 890mm x W 580mm x H 540mm

**Max rail weight:**

Rail mounting kits can only support up to 43kg.  
 Larger rafts may be fitted into the cradle, but cannot exceed 43kg.
